

- *Would you like to share your ideas on healthcare change?*
- *Would you like to have a voice in patient-centered healthcare programs?*
- *Do you want the opportunity to improve healthcare for the next patient?*

*If you answered YES, to 1 or more of these questions, we invite you to become a*  
***HENRY FORD PATIENT/FAMILY ADVISOR!***

At Henry Ford's Patient-Engaged Research Center (PERC) patients can volunteer to serve as advisors on new programs and enhance how we deliver care. Based on your areas of interest, we have the right role for you!

#### **OPPORTUNITIES INCLUDE:**

- **Henry Ford Health System Advisor** – Serve as a representative on a hospital council or committee. You will attend meetings focused on designing or improving a new or current program, service, policy or process. *(Meeting times vary from once every 3 months to once a month)*
- **Research Advisor** – Share ideas and give feedback on projects, including patient reading materials and strategies to enroll people into studies. *(Meeting once a month to once every two months)*
- **E-Advisors through Henry Ford Insights** – Share feedback in short online surveys. Topics may include patient care experiences, communications, new services and improvement ideas, and better ways to partner with patients. *(Time commitment: about 1-2 surveys per month)*
- **Focus Group Patient Advisor** – Participate in a focus group and provide feedback on your own personal health care experience. *(One-time commitment of 1.5-2 hours per focus group)*
