You staying in Henry Ford Health System

Receiving Care Outside Henry Ford

Receiving Care Outside Henry Ford

- More than 40 Specialties
- Direct access to providers through concierge service
- Priority scheduling
- Your Primary Care doctor knows about other care you receive
- Immediate access to previous tests, lab results, etc.
- Continuity of care

Test and lab results unavailable to your Henry Ford doctor. Your primary care doctor lacks visibility into your care.

Fragmented care potentially resulting in duplicative tests and uninformed patient care decisions.
