WHAT IS AN ERG?

The general purpose of a HFHS ERG is to support opportunities for employees and retirees of HFHS to gather with colleagues of similar interests and purpose, and to better serve and meet the needs of the diverse communities within HFHS and its local communities.

WHO ARE WE?

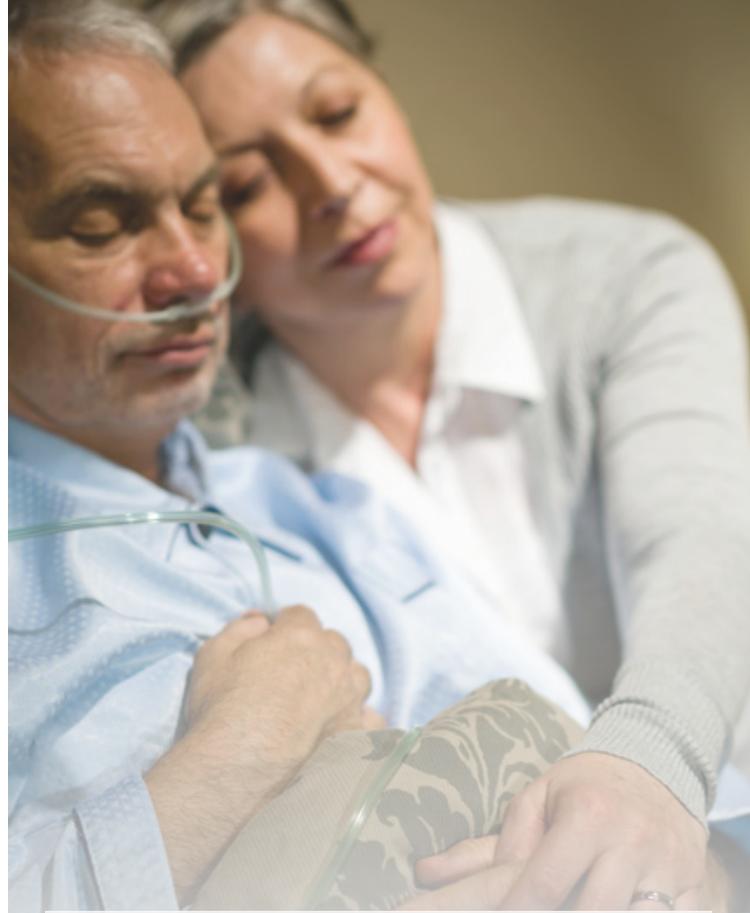

iCare4U ERG was established in 2016 to create a support system for working caregivers while fostering personal and professional growth that enhances the mission of Henry Ford Health System.

We are charged with 3 specific functions:

- Advocate for Employee Caregivers
- Be a community of support for one another
- Serve as ambassadors for the Caregiver Initiative

HOW CAN I GET INVOLVED?

- Attend a meeting or event
- Email us at ERGiCare@hfhs.org for questions and more information
- Join a committee
 - By-laws
 - Membership
 - Public Relations
 - Nominations
 - Events Committee
