

Henry Ford Health System encourages and uses social media for community and patient interaction. We welcome comments and opinions; however, please be aware that a social media post on the Henry Ford Health System network is public and seen by all. For your own privacy, do not post detailed, personal information or medical information.

To protect our communities, we will moderate and remove posts that reveal confidential information or are spam or reported as spam, off-topic, selling goods or services, offensive or derogatory. We also will block users that repeatedly post any of the previously mentioned topics.

Under no circumstance do posts constitute medical advice. RTs, mentions, likes and shares do not equal endorsement. Social media sites are generally monitored Monday - Friday from 9 a.m. - 5 p.m..

Any comments or communications with Henry Ford Health System made through this Facebook page are informal and are not part of a formal customer service process. To talk to our customer service department, please visit www.henryford.com/smcontact for contact information.
