

Genesys Hospital was well-represented at the 27th Annual MSU/Flint Med Community Research Forum on Friday, March 6, with two residents earning top prizes. Residents and fellows of our Graduate Medical Education (GME) program engage in vital research during training. **Congratulations** to our Surgical resident Dr. Sara Nesheiwat, PGY-3, for being awarded 2nd place and Internal Medicine resident Dr. Matos Morales for being awarded 3rd place!
