

MEDICAL CLEARANCE FOR KINGSWOOD HOSPITAL ADMISSIONS:

We have worked to develop a list of criteria to facilitate transfer from our referral sources.

Patients that meet the following criteria may be “pre-accepted” by intake, with a call to the physician after the admission has been coordinated with the referral source:

- Under 40 years old
- Normal BP, temp, pulse, resp rate
- No known medical conditions
- No known substance use
- + history of similar psychiatric symptoms

THIS DOES NOT NEGATE ANY INSURANCE REQUIREMENTS FOR AUTHORIZATION.

We will accept patients that meet the following criteria:

SBP <175 or >90
DBP <100
Pulse <110 or >55
Respiration <20 or >12
Temperature <100.7
Pulse ox >93% on Room Air
Accucheck <275 or >60

Patients not meeting the above criteria will be considered and reviewed on a case by case basis.
