

Here's why you need a primary care provider (PCP)

Internists, pediatricians and family medicine providers are all PCPs

Having a PCP makes sure you

Get your health screenings and vaccinations on time

Have someone who knows your health history

Are referred to specialists if needed

Have someone who cares for your total health and advocates for you.

How to know if your PCP is a good fit for you

You can speak freely and are relaxed during your appointment

You trust their opinion

You agree with their care philosophy

You feel heard – not rushed

When needed, you can be seen right away by your PCP or an associate

URGENT CARE

Important numbers to remember

With your enrollment in GM ConnectedCare, you can be connected to care a number of ways:

Henry Ford GM ConnectedCare Concierge Team: (844) 436-7637

Available Monday-Friday 7:30 a.m.-5:30 p.m. to help you find a provider or schedule an appointment.

Henry Ford MyCare advice line: (833) 262-1949

Staffed by nurses and supported by a physician on-call 24/7 for adult and pediatric medical advice, you have access to immediate guidance for unexpected health concerns at no cost to you.

Care Through MyChart: henryford.com/mychart

The Henry Ford MyChart online tool gives you access to your medical records, test results, a way to communicate with your provider and schedule/conduct virtual visits. Sign up with your 8-digit medical record number (MRN). Don't know that? Call the Concierge team at (844) 436-7637.
