Henry Ford OptimEyes' monthly eye care clinic at the Capuchin Soup Kitchen in Detroit helps guests who have not received eye care in years. The funds raised at our golf outings are used to purchase equipment, supplies, and lenses and frames. Without your support, this eye care clinic could not be possible.

Founded in 1929, The Capuchin Soup Kitchen serves Metro Detroit. Typically preparing and serving 2,000 meals a day, they also offer clothing, household items, a food pantry, children's tutoring and art therapy programs, an organic urban farm, and a bakery designed to assist individuals re-entering society after bouts of incarceration or substance abuse.
