

OPHTHALMOLOGY NEWS

Department of Ophthalmology Newsletter - Spring 2020

CHAIRMAN'S UPDATE

Paul Edwards, M.D.

Welcome to the Spring edition of the Ophthalmology Department newsletter! As the year progresses, our department continues to grow. I would like to announce that Brian Florek, M.D. will join our senior staff once he completes his glaucoma fellowship with the department in May.

I am very happy to announce that we had a highly successful resident match this year. The following students will be joining our program in 2021: Leroy Ekeh, MD from Baylor University, Mavis Gappy, MD from Oakland University, William Beaumont School of Medicine, Venkatkrish Kasetty, MD from Medical College of Georgia at Augusta, Nish Patel, MD from the University of Michigan, and Christopher Sesi, MD from the University of Michigan.

We are near the end of Advantage Healthcare Consultants engagement. They have been very helpful in revising and reviewing workflows and have played an integral part in the department finishing 2019 ahead of budget.

Our department has expanded again with the grand opening of the Bloomfield Township location. Everyone has been pleased with the facility and new technology used at the clinic. In Detroit, the front desk reception area on K-10 was recently renovated as well as the patient restrooms. These renovations have helped to improve the look and accommodations of our clinic.

New reception area on K-10

Please save the date for our 42nd Annual Alumni Education Day, Updates in Ophthalmology, to be held on Saturday, May 30, 2020 at the Grosse Pointe War Memorial in Grosse Pointe Farms. The Detroit Institute of Ophthalmology will be hosting the annual EyesOn Design Car Show on Father's Day, Sunday, June 21, 2020 to benefit low vision support groups, research and education. For more details, see page 11.

We appreciate our 2019 donors. Please see page 3 for a listing of all the donors who helped support our department. Thank you for your generous donations.

All the Best,
Paul A. Edwards, M.D.

PHYSICIAN UPDATE

Brian Florek, M.D.

Brian Florek grew up in Southeastern Michigan, graduating from the University of Michigan with a Bachelor of Business Administration. Following graduation, he spent a year in New York City working for J.P. Morgan Chase. After deciding his future was in medicine, he then returned home to the state of Michigan taking prerequisite courses and later attending medical school at the University of Michigan.

Brian became interested in Ophthalmology during medical school due to the unique combination of clinical and surgical care. He completed his ophthalmology residency at Henry Ford and stayed on for fellowship training in glaucoma and glaucoma surgery. He was drawn to the subspecialty due to the severity of the disease, the opportunity to establish therapeutic relationships with patients and the diversity of the surgical care.

Brian is thankful for the support everyone at Henry Ford has given him and is excited to stay on as a faculty member. When Brian is not at work, he spends his time with his wife, Jacinta, and their three children, ages 7 years, 5 years, and 2 years.

Please make sure to congratulate Brian on his upcoming fellowship graduation and welcome him to his future Henry Ford Ophthalmology family which he has never left.

PATIENT STORIES

I felt I received a very thorough exam. Dr. Noorulla answered all my questions and concerns as did her assistant. She's a wonderful doctor as well as the staff.

*Sincerely,
Grateful Patient*

Dr. George is a wonderful doctor and an excellent surgeon. He's also very professional. He explains everything in a way that you can understand. He takes all the time you need and never rushes you. If you have an appointment with him, you never have to wait. I'm always called in right on time. I would highly recommend Dr. George to all my friends and family. He's the best.

*Sincerely,
Grateful Patient*

Dr. Rinke is the best in his field. I trust him and have recommended him to my friends. They like him as well.

*Sincerely,
Grateful Patient*

Lindsey was the tech who took care of me. She was extremely knowledgeable, friendly, and treated my concerns with respect. She explained everything that she was going to do before doing it. She is an asset to Dr. Turner's staff. Dr. Turner is so warm and welcoming. She explained everything to me regarding my upcoming surgery. She is very knowledgeable in her area of expertise.

*Sincerely,
Grateful Patient*

TEAM MEMBER PROFILES

Debbie Koelzer, our Department Executive Assistant, began her secretarial career while in high school and continued through her early 20s. She eventually made a career change to Behavior Health as an inpatient Mental Health Technician while also working as a secretary in the Social Work department at Holy Cross Hospital in Detroit. Debbie worked in psychiatric units at Holy Cross, Saint John's and Saint Joe's hospitals for many years. After becoming disillusioned with a broken mental health system, she went back into an administrative support role. When Henry Ford Health System acquired the Macomb Hospitals, she transferred to the HF Lakeside Medical Center in a part-time, job sharing Secretary III administrative position. "By the time I left that position (10+ years), I was the sole administrative support staff and had been for a few years," Debbie said.

Debbie feels supported by Dr. Edwards and Steve Horger and coming to work does not feel like just a job. Since her work can be very solitary, Debbie is happiest when she can work with other members in and outside the department. She enjoys getting to know new people and loves getting things organized.

In addition to her behavioral health degree, Debbie also has a bachelor's in fine arts (major in oil painting). She loves to create and restore things. Debbie also loves all types of music, but specifically punk and alternative. Debbie has been married to her wonderful husband, David, for almost 35 years. They met in the 10th grade! They have three amazing children, Jake, Sam and Katie. Debbie says they are her greatest creations. Debbie is very fortunate and grateful for her family, friends, job and life.

David Goldman, M.D., MBA

David Goldman, M.D., MBA, is a highly involved member of the senior leadership team in the Department of Ophthalmology. He is Vice Chairman of Education, Director of the Residency Program, Co-Director of the Microsurgery and Simulation Center, Medical Director of the Henry Ford Community College Ophthalmic Tech Program, Medical Director of Ophthalmology System Grand Rounds, Co-Director and Associate Medical Director for the Detroit Institute of Ophthalmology and serves on the organizing committees for the World Research Congress and the EyesOn Design Car Show. He is also part of the sports vision program that serves as team physicians for the Detroit Pistons, Detroit Lions as well as a ringside physician for USA Boxing.

Dr. Goldman completed his undergraduate degree at UCLA and graduated from the Saba University School of Medicine. He completed his transitional year and residency at Henry Ford Hospital in 2006. Dr. Goldman also has a Master of Business Administration from Johns Hopkins University.

A Southern California native, Dr. Goldman has taken up permanent residency in Detroit as a senior staff surgeon and clinician at Henry Ford Hospital. He specializes in comprehensive ophthalmology, providing clinical and surgical care. As an ophthalmologist for local professional and amateur sports teams and groups, Dr. Goldman has a special interest in visual training and enhancements for optimal vision and performance in sports. With an interest in the revitalization of Detroit, Dr. Goldman has invested in part ownership of some downtown Detroit restaurants. He also has an "eye" for unique artwork and sculptures. He displays his collection at his home and restaurants.

ALUMNI

RON COLE, M.D.

Ophthalmologist

Congratulations to Dr. Ronald Cole who was the recipient of the inaugural Briggs Award from the Society for the Blind in Sacramento, California. Named after Sacramento's first ophthalmologist, Dr. William Ellery Briggs, this award honored Dr. Cole for his distinguished service in Ophthalmology. Dr. Cole was presented with the award at the inaugural event on October 17, 2019, which brought the community together to celebrate him as one of Sacramento's pioneers in low-vision eye care.

Dr. Cole served as a Clinical Professor in the Department of Ophthalmology at the University of California-Davis for 40 years and later as a resource for vision rehabilitation. When his private practice closed, the program continued by a collaboration with the Society for the Blind. Dr. Cole has continued to work part-time for the Society for the Blind in Sacramento, evaluating patients with vision loss and acting as a program consultant.

After operating a medical/surgical practice focused on retinal disease, from 1998 until closing the practice, Dr. Cole changed his emphasis to developing and directing a low-vision rehabilitation program, which provided care to the Sacramento region. As part of the Visual Rehabilitation Center, a non-profit community benefit foundation was established, which provided rehabilitation services and aids to people regardless of ability to pay.

Henry Ford Department of Ophthalmology alumnus Ron Cole, received his medical degree at the University of Rochester School of Medicine in New York and ophthalmology residency training at Henry Ford Hospital from 1965 – 1969. This was preceded by an internship at Henry Ford Hospital and a two-year term of duty in the USAF before returning to HFH for a service-sponsored residency. This residency program was repaid by service at the USAF David Grant Medical Center in northern California as chief of ophthalmology before he settled in the Sacramento area in a private practice group from 1976 to 2014.

IN MEMORIAM

The Department of Ophthalmology wishes to extend its deepest sympathies to the family of Mildred M. Smith (November 6, 1930 – January 15, 2020). Mildred Smith was the Head Nurse for the Department of Ophthalmology for many years. She was well liked and respected by physicians, staff and patients.

Dr. Christian George remembers Mrs. Smith as “an elegant, competent and caring nurse for the Henry Ford Ophthalmology Department for many years. She helped educate many resident physicians and touched thousands of patients lives. A great

lady!” Melanie Gutkowski says she “always enjoyed working with Mrs. Smith at HFHS Ophthalmology. She always had a beautiful smile and kind words.” Dr. Paul Edwards shared, “A classy, caring and always professional nurse who especially looked out for me as a resident. I will never forget her quiet suggestions and her approving smiles.”

RESIDENTS

Class of 2024 Ophthalmology Residents

The Department of Ophthalmology welcomes new residents who will begin their Ophthalmology journey in July 2021.

UPCOMING EVENTS

The Henry Ford Department of
Ophthalmology presents:
**Updates in Ophthalmology
42nd Annual Alumni Day**

Saturday, May 30, 2020

Grosse Pointe War Memorial
Grosse Pointe Farms, MI

Continuing Medical Education highlights include:

Jack S. Guyton Lectureship
TBD

H.Saul Sugar Lectureship
Sayoko Moroi, M.D., Ph.D.

Philip C. Hessburg Lectureship
Frank Nesi, M.D.

Distinguished Alumni Award
Stephen Kaufman, M.D., Ph.D.

For registration information contact
Rhone1@hfhs.org

EyesOn Design Car Show 2020

What: **Vision Honored - Honoring Lifetime Design Achievement Award recipient: Peter Brock, BRE Brock Racing Enterprises.**

When: Tuesday, June 9, 2020

Where: TCF Center
Detroit, Michigan

What: **Private Eyes Brunch**

When: Sunday, June 21, 2020, 11:00 a.m. – 2:00 p.m.

Where: Edsel & Eleanor Ford House
Grosse Pointe Shores, Michigan

More information: eyesondesign.org/carshow/

What: **The 33rd Annual EyesOn Design Automotive Design Exhibition highlighting “Marques of Extinction: Significant Designs of Bygone Brands.”**

When: Sunday, June 21, 2020, 10:00 a.m. – 4:00 p.m.

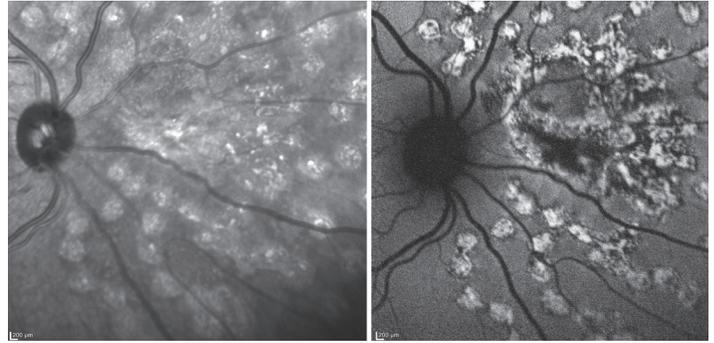

Where: Edsel and Eleanor Ford House,
Grosse Pointe Shores, Michigan

More information: eyesondesign.org/carshow/

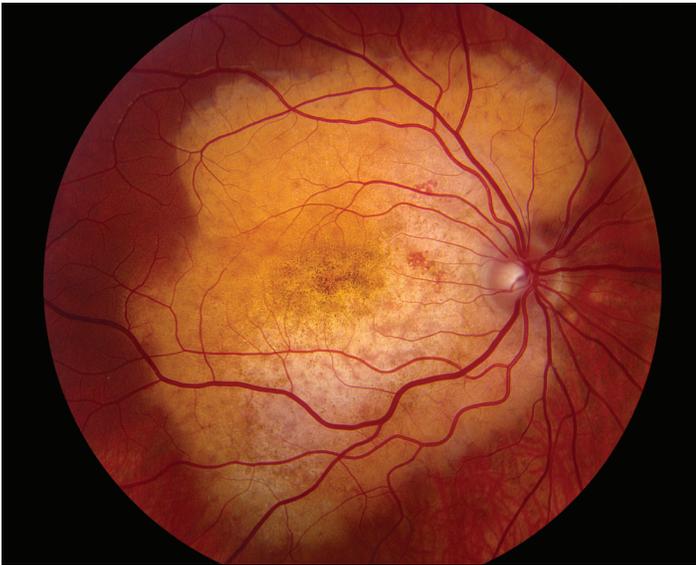

AWARDS

2020 ASCRS-ASOA Annual meeting

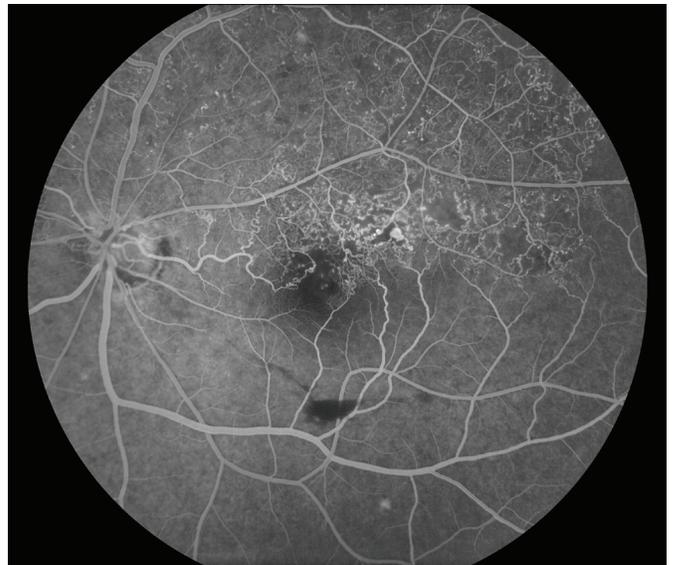

The winning photographs for the 2020 ASCRS - ASOA Photography Exhibition were recently chosen for the upcoming meeting in Boston, MA. Congratulations to Four photographers from the Henry Ford Ophthalmic Imaging Center for their winning images that will be shown at the exhibit. [Click here to view gallery](#)

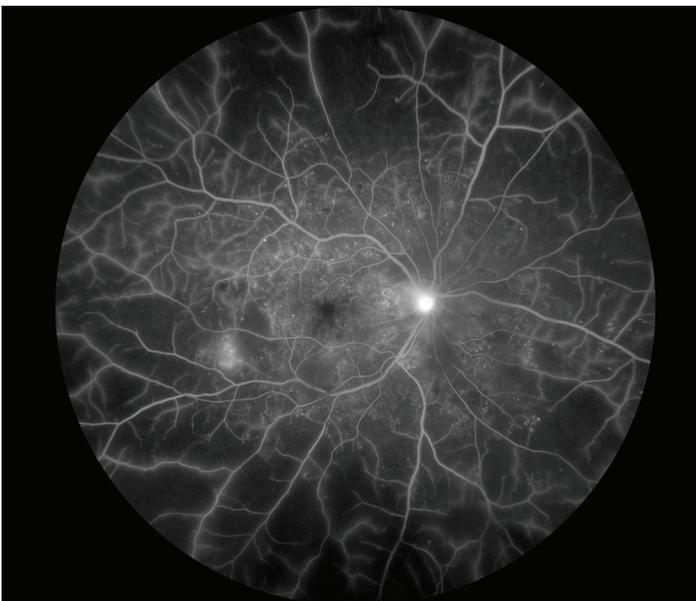

Bradley Stern, CRA, OCT-C, RUPTURED GLOBE
Honorable Mention, Monochromatic Photography

Derick Ashley, CRA, OCT-C OSTEOOMA
Honorable Mention, Fundus Photography 45 degree Wide Angle

Anahli Vazquez, BRVO
First Place, Fluorescein Angiography

Jennifer Humenny, CRA, OCT-C, PDR
Second Place, Fluorescein Angiography

Alumni Connection

Staying connected with our alumni is very important to the Department of Ophthalmology. With this in mind, please help us stay connected with you by keeping us informed of any contact information changes or updates in your journeys.

We also welcome pictures and stories to share with current staff and fellow alumni.

Please submit to Roseanne Horne, Program Coordinator, 313.936.1968, rhorne1@hfhs.org

Latest Updates in Ophthalmology Subspecialty Conference 2020 in Barbados

Dr. Paul Edwards, Dr. Shravani Mikkilineni and Dr. Barry Skarf attended and presented at the 10th annual Latest Updates in Ophthalmology Subspecialty Conference, February 21-23, 2020 in Barbados. This conference was organized and hosted by Dr. Kim Jebodhsingh, a HFHS Alumna.

Dr. Paul Edwards, Dr. Shravani Mikkilineni, Dr. Kim Jebodhsingh and Dr. Barry Skarf.

2020 All Leader Meeting: Compassion in Action

Ophthalmology leaders recently participated in a day dedicated to putting Compassion into Action. The day began with a look back at 2019 successes and an opportunity to hear HFHS senior executives review the 2020 priorities. Leaders also reviewed The Quality Expo exhibit and spoke with participants.

* **HFHS Alumni**

♦ **HFHS Employee**

Thank you for your generous support to ensure the best possible care and treatment for our patients. Special thanks to our Alumni for gifting nearly \$107,000. For questions on your philanthropic giving or to discuss legacy giving, please contact Maria Harrington, Senior Development Officer, Henry Ford Development Office at 313-874-6417 or mharrin2@hfhs.org or visit: www.henryford.com/giving

We strive for absolute accuracy in our donor listings and every effort has been made to list each donor name correctly. If you notice an error, please call Maria Harrington at 313-874-6417.

Dr. J. David Carey

In honor and memory of Dr. J. David Carey, please consider a donation towards the JD Carey, M.D. Residency Endowment Fund in support of the Henry Ford Department of Ophthalmology.

To make a gift, please contact Maria Harrington, Senior Development Officer, at 313-874-6417 or via email mharrin2@hfhs.org or send gifts to:

Henry Ford Development Office

1 Ford Place, 5A
Detroit, MI 48202
