### Before Surgery

You will get a phone call about one week before surgery. During the call, the nurse will:

- Ask you questions about the medicines you take.
- Ask you questions about your health history.
- Give you instructions for any other tests you need.
  - You may need to have a blood test at a Henry Ford lab. This test is different from tests done with your primary care doctor and needs to be done right before surgery.
- Tell you to pick up your pre-surgery kit. Do not go to the lab until you get this phone call. You can get the pre-surgery kit at these Henry Ford labs:
  - Macomb Medical Pavilion lab (connected to the hospital): 16151 19 Mile Rd.
  - Richmond: 67267 Main St.

### Arrival Time for Surgery

You will get a call 1 day before surgery between 1:00 p.m. and 4:00 p.m. to tell you what time to arrive for surgery.

- If your surgery is on a Monday, you will get a call the Friday before.
- If your surgery is the day after a holiday, you will get a call the business day before the holiday.
- If you do not get a call by 4:00 p.m., call (586) 263-2120 and choose extension 0.
