

HENRY FORD CENTER FOR ATHLETIC MEDICINE

UPGRADE YOUR PATIENT EXPERIENCE

Located at 690 Amsterdam in Detroit, this 54,000 square foot facility is the epicenter for athletes at all levels and in every sport to heal, condition and optimize their performance. We provide a multi-disciplinary approach to sports medicine with internationally recognized physicians in areas of orthopedics, concussion, brain health, cardiology and sleep medicine. Henry Ford combines the latest in state-of-the-art simulation and motion technology and a full staff of physical therapist and athletic trainers to create the center for athletic medicine as the place to reach your highest potential.
