## **Join Us as A TLC Volunteer Ambassador!**

The Henry Ford Hospital Transplant Living Community (TLC) is recruiting transplant recipients and/or their family members who want to “give back!”

A TLC Ambassador is a dynamic role, providing transplant lifestyle education and support to recipients and the recipient’s support team through interactions on K-16, lifestyle discharge education on H-6 and/or education and support through family meetings on K-16 and beyond.

TLC Volunteer Ambassadors are special people! A successful TLC Ambassador has or is willing to develop vital skills:

- Good listener
- Positive mental attitude
- Makes patient and family #1
- Tells own story without intimidating
- Does not offer medical advice
- Cares about well-being of patient and family
- Does not compare personal journey
- Acknowledges patients’ uniqueness
- Respects patient confidentiality & privacy
- Current knowledge and modeling of ACES®
