

About Me in Find a Doctor

The About Me section in Find a Doctor was developed to be a place for providers to highlight themselves, their clinical expertise, interests and research. This section may include the following information:

- Title (Program Director and above only)
 - Include relevant HFHS titles, Program Director and above only
- Biography (limit to two paragraphs)
 - Include up to two paragraphs that include information about your care philosophy, background and other information that will help patients choose a physician.
 - Patient education
 - Professional organizations
- Research Interests
 - Up to two paragraphs or five bullets to describe your research interests, including grant funding
- Awards and Honors (Top five)
 - Up to five awards and honors
 - Most recent and/or most prestigious
 - Shown in bullet list

To request changes to your Find a Doctor profile and About Me section, use the “Is this you? Update your profile.” link in the upper right-hand corner of your Find a Doctor profile (www.henryford.com/physician-directory).
