

Practice Focus (Services) Terms

How to add these terms to the Morrissey system for Find a Doctor

The Practice Focus terms, or Services as they are called on henryford.com, are added to a providers profile using the Morrissey web portal. Once added to a provider's record, the terms will show in Find a Doctor within two business days.

On henryford.com Services are used to connect providers, locations and service content. These terms appear in Find a Doctor search results and provider profiles, under Specialty. Services also appear in Locations as a filter. Our Team pages are built using Services tagging.

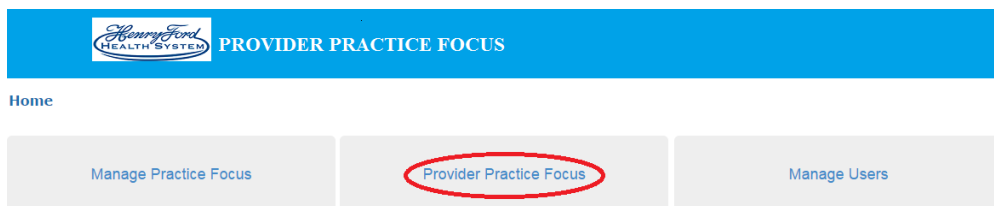

Instructions for adding or deleting practice focus terms

1. Go to <https://providerinfo.hfhs.org/apps/login/>

Use your Corp ID to log in

2. Click on the Provider Practice Focus tab to make changes. You will not have access to the other two tabs.

3. Type the provider's last name and select it from the drop down, then click "Fetch"

4. You will see the provider's specialty and below a list of practice focus terms (if any have been assigned).
