

Workshop 5

Pursuing Equity Learning and Action Network

October 18 & 19, 2018
Henry Ford Health System, Detroit, Michigan

Day One: Thursday, Oct. 18, 2018
Gilmour Center, One Ford Place, Henry Ford Health System, Detroit

Workshop Overview & Day 1 Welcome

Review community norms and level-setting for the two days ahead.

- Amy Reid, MPH, Director, Institute for Healthcare Improvement
- Kedar Mate, M.D., Chief Innovation and Education Officer, Institute for Healthcare Improvement

Henry Ford Health System's Commitment to Health Care Equity

The HFHS equity journey and best tips to engage senior leadership.

Moderator:

- Susan Hawkins, Senior Vice President, Population Health, Henry Ford Health System

Panelists:

- Wright Lassiter, President and Chief Executive Officer, Henry Ford Health System
- William Conway, M.D., Executive Vice President & Chief Executive Officer, Henry Ford Medical Group
- Nina Ramsey, M.Ed., Senior Vice President, Chief Human Resource Officer, Henry Ford Health System
- Seth Frazier, MBA, Executive Vice President and Chief Strategy Officer, Henry Ford Health System

Deep Listening to Build Our Community

Listen and share in triads on our personal equity journeys.

- Amy Reid, MPH, Director, Institute for Healthcare Improvement

The Detroit Challenge – All Teach, All Learn

Teams share a snapshot of progress in the five pillars, a story on one pillar where they're succeeding, a story on one pillar where they need help, and on clinical work to narrow equity gaps for "The Detroit Challenge" in up to five slides.

Session 1 Discussants:

- Cheri Wilson, M.A., MHS, CPHQ, Senior Research Scientist, General Dynamics Information Technology
- Joe Betancourt, M.D., MPH, Director, Massachusetts General Hospital

Session 2 Discussants:

- Aswita Tan-McGrory MBA, MSPH, Deputy Director, Massachusetts General Hospital
- Kedar Mate, M.D., Chief Innovation and Education Officer, Institute for Healthcare Improvement

Advancing Equity & Quality: A Discussion with Quality Leads

Quality leads from participating health systems participate in a Q&A on their role, challenges, successes and the way forward to further integrate equity and quality.

Moderator:

- Kedar Mate, M.D., Chief Innovation and Education Officer, Institute for Healthcare Improvement

Panelists:

- Amanda Arnold, Director of Quality & People Operations, Northwest Colorado Health
- Anisa Jivani, MHSA, Director of Quality, Rush University Medical Center
- Eileen Jaskuta, MSHA, BSN, R.N., Vice President, System Quality & Patient Safety, Main Line Health
- Joan Wynn, Ph.D., R.N., Chief Quality Officer, Vidant Health
- Karthik Sivashanker, M.D., HMS Fellow, Patient Safety & Quality, Brigham Health
- Michelle Schreiber, M.D., Senior Vice President & Chief Quality Officer, Henry Ford Health System

Breakouts

Attendees select a breakout session to discuss with colleagues the lessons and challenges related to one of the topics above. They walk away with a next step to advance their work in their organizations. Each group reports out at the end of the session.

Topics:

- Social Determinants of Health
- Racial Equity
- Advancing Data Infrastructure for Equity
- Business Case

Equity Journeys – Personal Lessons

Personal equity lessons from two of Henry Ford's leaders.

- Kimberlydawn Wisdom, M.D., M.S., Senior Vice President of Community Health & Equity, Chief Wellness & Diversity Officer, Henry Ford Health System
- Adnan Munkarah, M.D., Executive Vice President, Chief Clinical Officer, Henry Ford Health System
